Here is an example of what the final submission folder may look like:

    a. **AppSrc:** is the source code to your entire app
    b. **screenshot:** contains screen shots for your app.

TableEntry.html: can look like (some referenced links are missing from the above folder structure), please do include all appropriate files in your final submission. 20% of your final grade depends on this!

```
<table border="1" >
<tr>
    <td align="center" style="text-align:left;">
        <img border ="0" src="screenShot/logo.png" width="122px" /><br />

        <b>Developers</b></br >
        ABC<br />
        ABC<br />
    </td>
    <td>
        <p><b><u>App Name:</u></b></p>
        <p>Short Description</p>
        <p>
        <a href="Proposal.ppt">Project proposal</a><br />

        <img border="0" src="screenshot/shot1.png" width="150px"/>
        <img border="0" src="screenshot/shot2.png" width="150px"/>
        <img border="0" src="screenshot/shot3.png" width="150px"/>
    </td>
</tr>
</table>
```
